

REMARKS/ARGUMENTS

Responsive to the 18 May 2006 Office Action, Claim 1 is further amended to correct for a grammatic informality. This correction further clarifies the Claim's recitations and thereby removes a source of potential confusion.

In the Office Action, the Examiner rejected to Claim 1 under 35 U.S.C. §112, second paragraph, for use of the term "respectively" (at line 17) in a grammatically incorrect manner. The Examiner otherwise acknowledged the allowance/allowability of the claims.

It is believed that the correction incorporated hereby now obviates the Examiner's formal concern in this regard. Accordingly, the subject Patent Application is believed to now be in condition for allowance; and, such action is respectfully requested.

Respectfully submitted,
